

Invasive Vines

KILL TREES

Non-native vines smother and strangle trees—weighing them down so they lose branches or fall over. Snipping these vines buy trees time until more permanent measures are taken.

ARE THESE TREE KILLERS IN YOUR YARD?

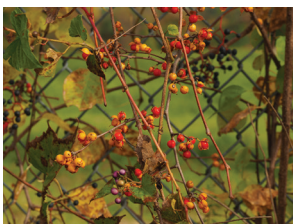

WINTERCREEPER

PORCELAIN BERRY

JAPANESE HONEYSUCKLE

ORIENTAL BITTERSWEET

ENGLISH IVY

ASIAN WISTERIA

Also:

Kudzu
Mile-a-Minute
Japanese Hops
Multiflora Rose
